

Jewellery Making Workshop

6 Pointed Star Earrings

You'll learn in this workshop how to bead weave intricate earring design, using right angle weave beading technique.

We will use quality materials (Miyuki & Swarovski Crystals).

You will walk out with beautiful earrings

+ typed instructions that have lovely sparkle & shine.

2 hour workshop 30 units

+ Bring your own materials or \$10 for the Materials Kit

You can bring your own materials (will provide you a required materials list) or can purchase the kits at workshop, you can chose from 6 different colour combinations.
