

# How to become a BrisLETS Drop off Point Host

Simon Cole

Being on a transport route is ideal (e.g. near an arterial road), but check our DoPH map; if you're in an area that's unserved, we need you.

Having an area accessible from the street but not visible is ideal.

Next you need a protected and secure cupboard. You can organize this yourself. BrisLETS hopes to help DoPHs in the future when we have more staff/volunteers, in particular a Trading Facilitator.

Here are some examples

Search BrisLETS' Offers. If you don't find one, put up a Want post and wait a week. You could put up a Want ad on Gumtree, too. Remember to offer to pay in Units to advertise BrisLETS using the Units Accepted Badge (download from our website's Resources<Downloads page).

If you end up buying one in \$s, remember you're transferring wealth into the alternative economy and your community benefits. Those benefits come back to you via the well-being of your neighbours across Brisbane.

I got one from Gumtree for \$39.

I had the cupboard transported by a BrisLETS van and driver (Lillian Geddes BLCE1063)

I oiled the exterior and lined the interior with plastic to make it more weather proof, because it is only partially under cover.

I later added a tin roof because when it rained everything got soaked, ha ha. Now it's waterproof... the overhanging eaves drip on it making a noise next to my bedroom I didn't have before... another ha ha ha! All good and well... now I know when it's raining in no uncertain term, and I love rain.

I organised the interior into two sections:

A Shop (top shelf) with an explanation sign and a transaction/trading sheet.

A storage space (bottom shelf) for couriered goods to be left and some transport slips.

**BrisLETS  
SHOP**

**Items for sale on this shelf**

Selling? Label with price and your BLCE####

PAYMENT OPTIONS:

Send payment now on your mobile <http://mobi.communityexchange.net.au/>

Ask the seller to debit your account by sending them a Trading Slip on CES

>Trading>Trading Forms

Write it on the transaction sheet here.

Lastly, I'll order a Drop off Point sign from the Promotions Coordinator (see the committee and contact page on [BrisLETS.com](http://BrisLETS.com)).

All the images in this file are downloadable from our website under the Resources tab.

Contact the Trading Facilitator (see Committee page of our website) if you'd like to talk to someone about being a BrisLETS Drop off Point Host.
