

BrisLETS Job Descriptions & Management Structure

Updated 9 April, 2019

Currently, the **Management Committee's (MC)** members are the President, Secretary, Treasurer and any other members elected at a general meeting, as required by the rules of incorporation.

They may include the other office-bearers from the list below, and should ideally form an odd number (5) to avoid tied votes.

The Secretary need not be an association member.

MC members need to be nominees to the bank and PayPal accounts.

BrisLETS does not currently have public liability insurance, but recommends household worker insurance (e.g. WorkCover Queensland). At the Albion Peace Hall, we are covered by the Albion Peace Community Centre's PLI.

All committee members would ideally be familiar with the online team-communication program provided by Slack.com, and check it every week, preferably on an agreed day.

Committee members may be given a dedicated email account, e.g. secretarybrislets@gmail.com or secretary@brislets.com, which can be automatically forwarded to a personal email account.

Members of committees and teams listed on the Committee page of our website are eligible to claim payment for work in Units.
