Repair Cafes in South East Qld

Repair cafes have been set up to help us to fix and repair broken items therefore not needing to dispose of the old and buy new items. Each café exists because a group of wonderful people with certain skills come together to help others. This is a fantastic way to recycle and reuse. Here are some of the Cafes in our area –

Woolloongabba – 7 Burke Street. repaircafewoolloongabba@gmail.com They can also be found on Facebook at <https://www.facebook.com/RepairCafeWoolloongabba>

Sandgate – 153 Rainbow Street. repaircafe.sandgate@gmail.com They can also be found on Facebook at <https://www.facebook.com/repaircafesandgate>

Caloundra – Community Centre, 58 Queen Street. Phone 0450 062 543

Please make use of these wonderful cafes and get back to me with your stories, with photos if possible.

Healing and Positive thoughts

Humans have the power to send energy to each other, and to the collective. As a group we can organise a time and day to do this.

At this time within our group and elsewhere there are people struggling with many issues and they would appreciate and benefit from our help. I know it is practice to get permission but I do this generally for the community with my earth healing work. I know that trauma is also held in the earth beneath us.

If you have a mind to, you can help by sending love and healing energy from your heart to all and around the world as well.

Thank you so much for reading this article.

Contact Details for Newsletters

Newsletters currently go out monthly before the Trading Day which is on the 3rd Sunday.

It would be appreciated if all articles could be in a format that can easily be put into Powerpoint, ideally not directly from a website.

Please consider any local area news and stories which would be nice for Brislets members to see and enjoy as well as any other item you wish to have included.

Please send all contributions by email to treasurer@brislets.com or phone through to Kelly on 0422 231 365
