Dear Ms Gallagher and Management Committee

Resignation of Secretary and Membership Secretary (Acting)

I have seen it written in the many forums associated with BrisLETS Community Exchange Inc that 'Bullying is not tolerated'. I have been Secretary for 14 days, and I have been harassed by a management committee member on 21 separate occasions for the username and passwords for all the respective sites that BrisLETS Community Exchange Inc uses to hold files, discuss and conduct their business. I have advised on each occasion to the respective management committee member that I was working on this issue, particularly at a handover event on 24 September 2022 at the previous Secretary's home.

A management committee member chose to leave the handover event rather than participate – as is their choice. However, after 21 separate instances of bullying for usernames and passwords to the various sites that BrisLETS Community Exchange Inc uses to hold, discuss and conduct their business, I have had enough.

The same management committee member stated that if their statements in a chatroom were to be made public he would call me a liar. I am not prepared to work with such a management committee member where they are so prepared to be deceptive.

I submit my resignation as both Secretary and Membership Secretary as I will not tolerate harassment.

I will deliver the two archive boxes I have been entrusted with to the next Management Committee meeting planned for 2pm on 16 October 2022, the same day as the next Trading Day. The next Trading Day will be held at the Albion Peace Hall, 102 MacDonald Street, Albion.

I wish BrisLETS Community Exchange Inc the best for the future. However, it will go on without me.

Regards

Kendall Morgan-Chase
